Easter Scavenger Hunt

I would like to sincerely thank our School Captains, Amelia, Tahlia, Max and Boyce, for their fantastic organisation of our inaugural Easter Scavenger Hunt. All classes had a fun time working as a team to find all the hidden Easter eggs. The well deserving winners were 1 Pink in the Juniors and 4 Brown in the Seniors.

We are so lucky at Gwynneville Public to have such responsible and mature leaders who are to be commended for initiating such an interesting, inclusive Easter activity.

Well Done!

Mrs Eshman

EASTER HAT PARADE

On Thursday, Gwynneville P.S. had our Easter Hat Parade. All of the students put a lot of effort into making wild and whimsical Easter Hats! The kids paraded onto the stage in front of a full hall of parents, dancing and jumping around.

A big thanks to the parents and teachers who spent time making hats with the kids.

The day was rounded off with a surprise visit from the Easter Bunny. Thanks to the captains and vice captains for organising so many fun activities and bringing the Easter Bunny to life for many of the kids!

Mr Josh Christie

What is a decodable text?

Decodable texts are written specifically for beginning readers as they are developing their blending and segmenting skills and their knowledge of the alphabetic code. Decodable texts contain a large percentage of words that incorporate the letter-sound relationships that students have been taught. Decodable texts increase in complexity as the student learns more of the phonetic code. When students have attained competency in reading, they have 'cracked the code' and are now independent readers.

Donna Barton
Assistant Principal Curriculum & Instruction

CURRICULUM CORNER

- The three key elements of reading fluency are **accuracy** in word reading and decoding, **automaticity** in recognising words, and appropriate use of **prosody** or meaningful oral expression while reading.
- Accuracy and automaticity need to be taught in conjunction with prosody, not in isolation.
- Practising reading for performance develops all three areas in unison, leading to improved comprehension.
- Expressive fluency development can be supported by incorporating texts that are rhythmical, rhetorical, or interactive such as poetry, song lyrics, chants, rhymes, plays (Readers Theatre), monologues, dialogues, and letters.
- The purpose of repeated reading should not be about faster reading but to support expressive and meaningful oral reading.

STATE KNOCKOUT SOCCER

2 Green's Learning Adventures

2 Green have been incredibly busy this term!

We have embraced learning new concepts in numeracy with perseverance and a positive mindset. Light bulb moments have been buzzing around our room as our challenges soon turned into moments of success!

Miss Florence has introduced us to 'Sizzling Starts' where we have seen our writing improve out of sight! We have loved working together to develop our ideas in a fun and humorous way to create sizzling starts with suspense.

2 Green have also thoroughly enjoyed learning about famous Artists from the 19th and early 20th Centuries. We will be showcasing some of our amazing talent at our Assembly this week.

As we come to the end of Term 1, 2 Green would like to share a few little snapshots of our time at school so far!

Artists at Work!

Sizzling Start: Something fell from the sky

The lights flashed and the
lights turned off: (when)...

Something fell out of the sky

The tv turned off exciting

didn't work. (but) I heard a
creaky noise outside, I

carefully looked. (a peek) I

couldn't believe what it was!

Sizzling Start: You have just won \$1,000,000

The phone rang
I froze, I jumped
up and down with
excitement. Is it too
good to be true?

Sizzling Start: I was home alone and there was a knock at the door

Is that a knock at
the door? I ran to the
window & saw nothing but
then... boom!!

Our Sizzling Starts!

Sizzling Start: Something fell from the sky

For a minute, I couldn't

see. It looked like a

comet. Then the bright light

disappeared. Where did it go?

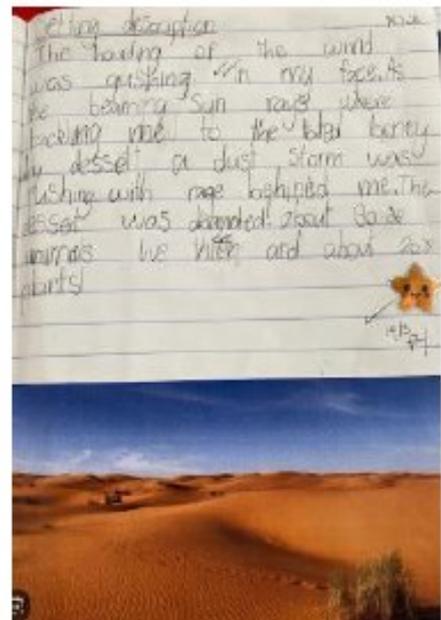

Then...

Sizzling Start: Something fell from the sky

The bright light
flashed before my tiny
eyes. It was too bright
but for a second (then)
I heard a loud noise
like boom! Was it a
bird? Was it a plane?
(but) It was still bright
(so) I still couldn't see it.

2/3 Lime in the Spotlight!

We have been working hard this term during our creative writing time. Students have been using the creative writing technique known as 'Show don't tell' which allows the reader to experience the story through actions, senses and vivid details. Using this technique helps paint a picture of the scene for readers.

Some of our beautiful artworks as we explore some iconic places in Australia!

4 BROWN

HARMONY

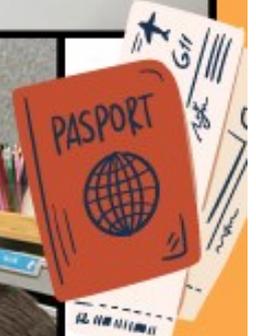

EVERYONE BELONGS

March 21st, 2024

ON HARMONY DAY, 4 BROWN WENT ON A WORLD TRIP TO A NUMBER OF DIFFERENT COUNTRIES. WHAT AN ADVENTURE IT WAS! FIRST, THE FLIGHT TOOK OFF FROM AUSTRALIA AND WE VENTURED TO CHINA, THEN, BRAZIL, MEXICO, THEN OVER TO SAUDI ARABIA, ISRAEL, FRANCE, AND FINALLY GERMANY. WE HAD SO MUCH FUN, WE DIDN'T WANT TO RETURN BACK HOME. BON VOYAGE!

THE IMPORTANT STUFF

SERVICE HOURS + CONTACT

Our Waniora service opens at 7:30am and closes at 6pm. Please note that staff are legally unable to care for your children outside of these hours. Please walk into the service with your child to ensure staff are on site.

The best phone number to contact the Educators working on site with your child is the service phone - 0406 245 267

BOOKINGS/PAYMENTS

Please assist us by making all bookings **at least one week** prior to the session. This is important to ensure we have adequate resources available for your child and enough staff rostered on to maintain our legal ratios.

If you are not already enrolled for our service, a new enrolment form will need to be filled out for your child. Please head over to our website adventureoshc.com.au or contact Lily for the enrolment link - waniora@adventureoshc.com.au

Once your child's enrolment has been activated, you will be prompted to download the Xplor Home app via your email address.

Bookings and payments can be made through the app. Please select 'Vacation Care April 2024' when making a booking. Note that the base fee will be shown at the time of booking and any experience fees will be manually added by Adventure OSHC after the booking has been made.

If you would like to claim the CCS and are yet to set this up, please email georgia@adventureoshc.com.au

CANCELLATIONS

Some late cancellations/absences may incur a fee as we purchase resources in advance and roster our staff based on booking numbers:

- 7 days or less before the session: 50% of the session fee will be charged
- Same day as the session: 100% of the session fee will be charged

MEDICAL INFORMATION

If your child is new to Adventure OSHC and has asthma, anaphylaxis, allergies or any other medical condition, please provide medical management plans by uploading these to your Xplor account or by sending them directly to Lily at waniora@adventureoshc.com.au

You must bring any medication needed in its original packaging and clearly labelled by the chemist with your child's name, DOB and instructions (including over the counter medication) and hand this to our staff. You will be required to fill out a risk minimisation plan on your child's first day at the service as well as a medication administration form if relevant.

Please be aware that we will be unable to accept your child if the above is not provided.

ON THE DAY

Please arrive no later than 9am so we can get the day started! (unless notified otherwise due to excursions).

Please bring/wear:

- Morning tea and lunch. Afternoon tea will be provided.

- Enclosed shoes.
- A change of clothes (we like to get messy at vacation care!).
