Newsletter Term 1 Week 6 Wednesday 2nd March 2022

Principal's Message

A big thank you to our community for your continued support and efforts in assisting us to keep everyone safe.

The Premier announced changes to school settings for the rest of Term 1.

The updated changes include:

- School will provide each student and staff member with 8 tests per student and staff
- From Monday 28 February, we will move to symptomatic testing. Tests are to be used at your discretion such as if your child is symptomatic or there are cases in their class. The school will be providing bulk tests to staff and students.
- Beyond that, staff and students can purchase their own Rapid Antigen Tests as these are now readily available in the community.
- For Primary students masks will continue to be required indoors for all staff and visitors until Friday 4 March. This means that as of Monday 7 March, masks will no longer be mandatory. However, those that wish to continue wearing them can do so.
- From Monday 28 February visitors are allowed back on school sites.

Thank you again for your continued support.

Mrs Trish Payne

Principal

This Friday is ***Clean Up Schools Day***. Students will be involved in Environmental Education lessons within their classrooms. They will also be asked to bring a reusable glove from home to clean up their designated area of the school. **This will be postponed until next Friday depending on the weather.**

School Photos

Photo day is 17th March

Parents have been supplied with a shoot key so that they can complete online ordering.

Online ordering closes at 11pm on photo day.
